

Praises for 2014

Prayer Requests for 2015

...for the equipping of the saints, for the work of the ministry, for the edifying of the body of Christ... Ephesians 4:12 nkjv

We praise the Lord for His faithfulness to His children during the past year. We thank the Lord for people like you who partner with us through prayers, support and encouragement. Here are 2014 highlights from the ministries we have been working alongside with in the Philippines and the USA. Please pray for these brethren, who by the grace of God, faithfully serve the Lord.

Campfires For Christ Asia

CFC Asia conference in Davao City, Philippines/ Oct. 2014

CFC Asia has been CFC USA's co-laboring ministry for over 21 years. Several, very affordable evangelistic and discipleship camps were conducted for the kids, the youth, and ministry workers at various locations in the Philippines. The staff make it a point not to refuse anyone because of inability to pay the fees. Individuals can attend even if all they have is dried fish, a bag of rice or some vegetables. In 2014, there were camps done thru the faithfulness and commitment of the volunteer staff from six CFC ASIA outposts in Cavite, Zambales, Cebu,

Cagayan De oro, Zamboanga Del Norte and Zamboanga Del Sur.

Cagayan De Oro (CDO)

Cagayan De Oro outpost did 5 camps in Mindanao (southern Philippines). There was a total of 246 campers and 50 professed to have accepted Jesus. "Amidst dangers that they could have encountered, the volunteer staff were able to host a camp in a remote province where the facility was heavily guarded by the military to protect them from the communist rebels and

jihadists. There were 110 campers from the Balaan and Tivoli tribes, Ilongos, Ilokans and Tagalogs. The community was very thankful to CFC Asia for reaching out to them and hosting the first Christian camp in their area for their youth."-CDO outpost

Zamboanga Del Norte (ZDN)

ZDN is another outpost in the Mindanao region and they had 4 camps and 200+ attendees and 70 professed to have received and believed in Jesus.

Zamboanga Del Sur (ZDS)

ZDS is another province in Mindanao; they had 4 camps, with 111 campers, 9 professed to a new found faith in Christ. The group shared the following testimonies:

a) a 21-year old, depressed young man who had suicidal thoughts, committed his life to the Lord and found

purpose in life through a relationship with Jesus, b)another young man was convicted to commit his vices and his life to Jesus; presently, he is having regular Bible studies in his home attended by his whole family.-ZDS

Cebu

Cebu outpost in the Visayan region had 4 camps with 200+ campers.” One such camp, titled Biyahe 2014 (“Journey” 2014), was held on Bantayan Island, one of the sites hardest hit by the super-typhoon Hayan (Yolanda) in 2013. Two new campers accepted the Lord Jesus Christ as Savior; all 103 campers were challenged to follow the Lord and to commit their lives to Him. The staff were particularly touched by a camper who gave all she had in her bamboo coin-bank, saying she wanted so much to attend the camp. CFC Camps are subsidized through love-gifts of other believers to make camp affordable for the most numbers of campers possible; sometimes campers give “whatever they can”, even if just a few cents; or like at one time the registration fee was \$1.00 , plus 1 kilo of rice, or

vegetables.”-Cebu Outpost

Cavite

Cavite (Luzon region) outpost had worked alongside other ministries to host two camps in the area, and one staff training and a youth camp in Palawan in 2014. Over 200+ youth benefited from these camps. Palawan, an island at the

students. Faithful givers from the USA sponsored nine students. The parents continue to partner in prayers for these students. Computers from a donor in the USA arrived safely, and will be a great resource to the students. Donated clothing were given to the underprivileged kids in the nearby town

southwestern side of Luzon is an upcoming CFC outpost. CFC Asia main office is located in Cavite, Philippines.

Zambales

Zambales (in Luzon) outpost had one camp called Landas ("Path") 2014. Approximately 50 attendees were encouraged in their faith. As with all outposts, they continue to develop leaders.

Pls. pray for CFC Asia as they prepare for the 2015 camp season. Visit their website: www.campfiresforchrist.com.

"Praise God for another year of operating in God's faithfulness! The Lord has blessed CLC this year with 122

during the annual 6th grade class missions trip. They learned that it is more blessed to give than to receive. The parents and students received timely and most valuable Disaster Preparedness Training conducted by the Campfires for Christ Asia staff. Please pray for the coming school year. After 8 years of faithful service, our beloved principal will be sent-off to go to another ministry in her hometown. By faith, our new principal is coming in His perfect time."-Lei. The Street Children Ministry - Jesus Intercessor's Baptist Church

"Once again, we praise the Lord for providing our needs for the school year June 2014-March 2015. He had called all of our dear partners to fulfill His promise that He will be the ABBA for His children. About 35 kids under our outreach program come to us weekly so we can bring them to church for Sunday school and worship services. We praise God for raising 5 of our full beneficiaries and one from our outreach program to serve in this children ministry. Thankful to our Lord for 94 souls that professed to have accepted the Lord Jesus Christ this past 2014. These are mostly kids that we found either begging, or earning a living on the streets, wet markets, near the mall and in our town plaza; follow-up is a challenge because they are mostly itinerant. These are our prayer requests: a) that the

children will be steadfast in choosing to obey our Heavenly Father, b) that they will stay vigilant, humble and be thankful always to God's grace, mercy and provision for them, c) for those who were saved, to find a Bible believing church and fellowship for follow-up, d) for Elvie's overall health and continuous spiritual refreshing." - Elvie. KPTL-LP FM Radio Station

CFCUSA was granted a construction permit on July 29, 2014 by the Federal Communications Commission to build and operate a non-commercial, community-based low-powered FM Radio Station in Temecula Valley, CA. Our goal is to reach a broad and diverse audience to share the Gospel of our Lord Jesus Christ and be of service to the community. We were assigned the frequency 96.9FM, with the call sign KPTL-LP... "Keep Praising The Lord-Loving People!" Psalms 96:9(nkiv) "Oh worship the Lord in the beauty of holiness! Tremble before Him, all the earth." Pls. pray that the Lord guides and provides for the completion of this project to get on the air soon.
